

Blinky's Family Challenge

I can do big stuff for God ... *when my parents trust me!*

Take Care of the Baby

Miriam, Moses' sister, got strong for God by obeying the little stuff each day! Even though she was a kid, her mom trusted her to take care of Moses when he was a baby. That's big stuff!

You'll Need

- A baby doll

Directions

1. One person holds the baby and takes care of it. Use the **Baby Care** list for ideas.
2. Say, "Big stuff!" and pass the baby so a new person can take care of the baby.
3. Repeat until everyone takes a turn.

Baby Care

- Change the baby's diaper
- Feed the baby with a bottle
- Wash the baby's face
